Hello customers:

Nowadays the fat in foods is an inevitable problem in our country and it causes many diseases in the world, like heart disease and high blood pressure. We truly understand these are the problems in our community. So we recommend some healthy foods to you and hope those are good for your life.

All ingredients for the food we use are soybean, fresh vegetable and house sauce.

No MSG, low calories and full of vitamins is our speciality!!

Corning class is a new trend Asian style restaurant. We are going to use healthy food to welcome many honorable consumer.

We strongly believe we have good service and delicious food, especially a series of health food.

It has low calories, full of fibers and vitamins.

Also we use fresh vegetables instead of the canned food.

We believe you will be satisfied with our selections and hope that you can give us good advice to help our restaurant grow in a prosperous manner. Thank you!

DON'T WASTE ANY TIME, JUST TRY IT!!
